

Doctor of Juridical Science (SJD) Course Code 3380
Application for Advanced Standing

This form is to be used by students when applying for advanced standing (credit) for previous study. This form should be attached to the course application form to ensure prompt action for both applications. If lodging this form after enrolment, please lodge with the faculty responsible for administering your degree program.

Notes for applicants who have completed four Monash LLM coursework units:

Candidates who have obtained a distinction level average in four coursework Masters subjects, together with distinction in research assignments submitted in each of them, may have credit for those subjects, provided that they have not been counted towards the completion of your LLM degree.

Applicant's Details							
Student ID number							
Title	Surname						
Given Names							
Postal Address for Correspondence							
Number & Street							
Suburb				State			
Country				Postcode			
Phone (AH)				Phone (BH)			
Mobile Number				Facsimile			
Email Address							

Previous studies for which advanced standing is sought/requested	
Course Title	Did you complete the course? Yes <input type="checkbox"/> No <input type="checkbox"/>
Institution	When did you commence the course? Date / / When were you last enrolled? Date / /
Have you applied for credit before in the faculty?	Yes <input type="checkbox"/> in Year ____ __ __ __ No <input type="checkbox"/>

Applicants are reminded that each coursework unit to be approved must have a research assignment attached to it and please attach an evidence that your research assignment achieved the distinction grade (at least 70%).

The maximum number of Non Monash units that can be approved is two.

Unit Details from Previous Study					Faculty Use Only		
Name of Institution	Unit Studied	Year studied	Monash unit you are seeking credit for (if applicable)	The mark of research assignment (evidence required)	Faculty Approved/ Rejected	Credit Points Granted	Authorised By
ie. RMIT	BIO101 Biology 1	1997	BIO1001 Introduction to Biology	72
